1. Description of the Product

Information on Underlying

Underlying(s)	Initial Underlying Level	Conversion Ratio
UBS GEM RADA Strategy Index Bloomberg: ULTARAEM	204.73	2:1 (2 Units refer to 1 Underlying)

Index Description

The UBS GEM RADA (Global Emerging Markets Risk Adjusted Dynamic Alpha) Strategy Index tracks the performance of the UBS RADA Strategy on Global Emerging Markets Equities, adjusted by the Management Fee. The Index uses a market timing strategy, based on a proprietary UBS Global Emerging Markets Dynamic Equity Risk Indicator ("GEM DERI"), to rotate in and out of equity investments. The GEM DERI is an out-of-sample measure of investor sentiment and risk appetite based on contemporarily available information, weighted in relation to its correlation with emerging market equity market movements.

The GEM RADA strategy seeks to invest in the Emerging Market Equities when the GEM DERI indicates bullish market conditions and in cash when bearish market conditions are detected.

Redemption

The Investor is entitled to receive from the Issuer on the Redemption Date an amount in the Settlement Currency, according to the following formula and taking into account the Conversion Ratio:

$$\text{Expiration Value} * \prod_{1}^T \left(1 - \frac{MF_t}{360}\right)$$

T = the number of calendar days that have passed since the Pricing Date. The Management Fee is deducted daily and in arrears (each a "Risk Management Fee Calculation Date").

Management Fee (MF _t)	The level of the Management Fee, if any, on day t after the Pricing Date. The Management Fee will be determined at the reasonable discretion of the Calculation Agent and as per provisions set out under Management Fee Adjustment.
Expiration Value	Official closing value of the Underlying on the Effective Exercise Date on the Related Exchange, as determined by the Index Sponsor(s).

Product Structure

With an Open End PERLES the Investor can participate in the performance of the Underlying. The downside risk is similar to that of the Underlying, i.e. the Investor could lose his total investment if the Underlying value falls to zero. Open End PERLES are a product for Investors who expect the Underlying to increase in value.

Risk Factors relating to the Issuer

In addition to the market risk with regard to the development of the Underlying, each Investor bears the general risk that the financial situation of the Issuer could deteriorate. The Products constitute immediate, unsecured and unsubordinated obligations of the Issuer, which, particularly in case of insolvency of the Issuer, rank pari passu with each and all other current and future unsecured and unsubordinated obligations of the Issuer, with the exception of those that have priority due to mandatory statutory provisions. The general assessment of the Issuer's creditworthiness may affect the value of the Products. This assessment generally depends on the ratings assigned to the Issuer or its affiliated companies by rating agencies such as Moody's, Fitch and Standard & Poor's.

The Issuer Ratings indicated in this document reflect the situation at the time of issuance and may be subject to changes. The actual Issuer Ratings at any given time can be seen on the Issuer's website (www.ubs.com) under "Analysts & Investors".

Secondary Market

The Issuer or the Lead Manager, as applicable, intends, under normal market conditions, to provide bid and offer prices for this Product on a regular basis. However, the Issuer or the Lead Manager, as applicable, makes no firm commitment to provide liquidity by means of bid and offer prices for this Product, and assumes no legal obligation to quote any such prices or with respect to the level or determination of such prices. Potential Investors therefore should not rely on the ability to sell this Product at a specific time or at a specific price.

In special market situations, where the Issuer is completely unable to enter into hedging transactions, or where such

transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer.

Market Risk

The investor is exposed to market disruption events (such as trading disruption, exchange disruption and early closure of the relevant exchange), adjustments and early termination which could have an impact on the redemption amount through delay in payment or change in value. For a detailed description of such events and their effects please read the Final Terms and the base prospectus (Base Prospectus Equity).

Important Information

This information is communicated by UBS AG and/or its affiliates ("UBS"). UBS may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market in any securities, currencies, financial instruments or other assets underlying the transaction to which this document relates. UBS may provide investment banking and other services to and/or have officers who serve as directors of the companies referred to in this document. UBS' trading and/or hedging activities related to this transaction may have an impact on the price of the underlying asset and may affect the likelihood that any relevant barrier is crossed. UBS has policies and procedures designed to minimise the risk that officers and employees are influenced by any conflicting interest or duty and that confidential information is improperly disclosed or made available.

In certain circumstances UBS sells this Product to dealers and other financial institutions at a discount to the issue price or rebates to them for their account some proportion of the issue price. Further information is available on request.

Structured transactions are complex and may involve a high risk of loss. Prior to entering into a transaction you should consult with your own legal, regulatory, tax, financial and accounting advisors to the extent you consider it necessary, and make your own investment, hedging and trading decisions (including decisions regarding the suitability of this transaction) based upon your own judgement and advice from those advisers you consider necessary. Save as otherwise expressly agreed in writing, UBS is not acting as your financial adviser or fiduciary in any transaction.

This document should not be construed as an offer, personal recommendation or solicitation to conclude a transaction and should not be treated as giving investment advice. The terms of any investment will be exclusively subject to the detailed provisions, including risk considerations, contained in the Information Memorandum, Prospectus or other issuer documentation for the issue of the Products/Notes (the "Prospectus" or the product documentation).
