## Product Structure

The 5 year USD-denominated Floating Rate Note with Floor and Cap offers Investors quarterly Interest payments. The Interest Rate is linked to the 3 month USD LIBOR Rate and is subject to both the Minimum Interest Rate (Floor) and the Maximum Interest Rate (Cap) as specified in the Section "Interest".

This Product differs from a conventional debt instrument in that interest rate derivatives are used to fix Minimum and/or Maximum Interest Rates.

## 2. Prospects of Profits and Losses

Market Expectation	Investors in this Product expect that the Underlying is stable or that it increases, but not above a certain level. Should the Interest Rate fix at or below the Minimum Interest Rate, the Interest Rate will amount to the Minimum Interest Rate. Should the Interest Rate fix at or above the Maximum Interest Rate, the Interest Rate will amount to the Maximum Interest Rate.
Risk Tolerance	Investors in this Product should be familiar with interest rate markets. Although Investors benefit from regular coupon payments, they must be aware that the Interest is exposed to the performance of the Underlying which could be worse than the performance expected at the time of the purchase of this Product. The Product is suitable to Investors that require capital protection on the Redemption Date / Maturity Date.
Profit Potential	The prospective gain is limited to the Interest and is capped at the level of the Maximum Interest Rate.
Loss Potential	Investors are exposed to the credit risk of the Issuer. Furthermore, the Interest could be as low as the Minimum Interest Rate (as defined above).

## 3. Significant Risks for Investors

For product specific risks please see above (2. Prospects of Profits and Losses)

### Risk Factors relating to the Issuer

In addition to the market risk with regard to the development of the Underlying, each Investor bears the general risk that the financial situation of the Issuer could deteriorate. The Products constitute immediate, unsecured and unsubordinated obligations of the Issuer, which, particularly in case of insolvency of the Issuer, rank *pari passu* with each and all other current and future unsecured and unsubordinated obligations of the Issuer, with the exception of those that have priority due to mandatory statutory provisions. The general assessment of the Issuer's creditworthiness may affect the value of the Products. This assessment generally depends on the ratings assigned to the Issuer or its affiliated companies by rating agencies such as Moody's, Fitch and Standard & Poor's.

The Issuer Ratings indicated in this document reflect the situation at the time of issuance and may be subject to changes. The actual Issuer Ratings at any given time can be seen on the Issuer's website ([www.ubs.com](http://www.ubs.com)) under "Analysts & Investors".

## Secondary Market

The Issuer or the Lead Manager, as applicable, intends, under normal market conditions, to provide bid and offer prices for this Product on a regular basis. However, the Issuer or the Lead Manager, as applicable, makes no firm commitment to provide liquidity by means of bid and offer prices for this Product, and assumes no legal obligation to quote any such prices or with respect to the level or determination of such prices. Potential Investors therefore should not rely on the ability to sell this Product at a specific time or at a specific price.

In special market situations, where the Issuer is completely unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer.

## Market Risk

The investor is exposed to market disruption events (such as trading disruption, exchange disruption and early closure of the relevant exchange), adjustments and early termination which could have an impact on the redemption amount through delay in payment or change in value. For a detailed description of such events and their effects please read the Final Terms and the base prospectus (Structured Note Programme).

## Important Information

This information is communicated by UBS AG and/or its affiliates ("UBS"). UBS may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market in any securities, currencies, financial instruments or other assets underlying the transaction to which this document relates. UBS may provide investment banking and other services to and/or have officers who serve as directors of the companies referred to in this document. UBS' trading and/or hedging activities related to this transaction may have an impact on the price of the underlying asset and may affect the likelihood that any relevant barrier is crossed. UBS has policies and procedures designed to minimise the risk that officers and employees are influenced by any conflicting interest or duty and that confidential information is improperly disclosed or made available.

In certain circumstances UBS sells this Product to dealers and other financial institutions at a discount to the issue price or rebates to them for their account some proportion of the issue price. Further information is available on request.

Structured transactions are complex and may involve a high risk of loss. Prior to entering into a transaction you should consult with your own legal, regulatory, tax, financial and accounting advisors to the extent you consider it necessary, and make your own investment, hedging and trading decisions (including decisions regarding the suitability of this transaction) based upon your own judgement and advice from those advisers you consider necessary. Save as otherwise expressly agreed in writing, UBS is not acting as your financial adviser or fiduciary in any transaction.

This document should not be construed as an offer, personal recommendation or solicitation to conclude a transaction and should not be treated as giving investment advice. The terms of any investment will be exclusively subject to the detailed provisions, including risk considerations, contained in the Information Memorandum, Prospectus or other issuer documentation for the issue of the Products/Notes (the "Prospectus").

Investors who decide to place an order for subscription or purchase of this Product should note that such orders are binding and that the Investors have no right to withdraw or cancel such orders.

UBS makes no representation or warranty relating to any information herein which is derived from independent sources. This document shall not be copied or reproduced without UBS' prior written permission.

No action has been or will be taken in any jurisdiction that would permit a public offering of the Products described herein, save where explicitly stated in the Product Documentation.
